Hamilton EarlyON has a New Registration System:

KEyON / .i is a website that supports a digital sign-in tool that provides caregivers with a quick and simple way to register and sign-in at EarlyON Centres across Ontario.

Once you register as a member, you will receive a QR code that will be on a key tag or may be scanned with your phone.

Your KEyON account will allow you to manage your pre-registration for activities online.

You can use the QR code to sign-in to any EarlyON Centre throughout Ontario that has implemented KEyON .

Your registration is private and secure and will be used for planning purposes to ensure your EarlyON Centre is offering the best services possible

All adults planning to attend EarlyON programs must create their own individual KEyON account and will receive their own key tag. Navigate to www.keyon.ca and select “Become a Member” or “Register.”
